This is an agreement between the owner of the mare listed above and the owners of the stallion as listed above to engage the two animals in breeding for the season of

1. Breeding Fee: Total Fee of **\$850.00** to be paid as follows:
 Booking/Handling Fee of \$200.00 (non-refundable) with return of signed contract. Collection Fee \$300.00
2. **Agistment:** Agistment will be charged from the date of arrival until the date of departure at the rate of:
\$6.00 per day - Dry Mares and \$7.00 per day - Mare & Foal
3. **Veterinary Costs:** Any costs incurred by mare including ultra-sound. Balance of \$..... shall be due and payable prior to the mare's departure from Lyn-Lin Appaloosas.
4. Both parties agree to the following and the **STALLION** owners specifically guarantees:
 - i) The mare and/or foal will be cared for in a diligent manner.
 - ii) Prompt veterinary service will be employed in case of illness or injury, at the expense of the mare owner.
 - iii) That if the stallion should die or become unfit for service the booking fee shall be refunded.
 - iv) Breeding documents will only be issued when all monies are paid.
5. Both parties agree to the following and the **MARE** owners specifically guarantees:
 - i) The mare is healthy and in sound breeding condition.
 - ii) Any mare or foal will continue, during the time spent at Lyn-Lin Appaloosas to be the risk of the mare owner from accident, illness or misadventure of any description.
6. **MARE CARE** - Mares entrusted to Lyn-Lin Appaloosas receive the same care that we extend to our own. All mares receive a balanced feed formulation. The feeding regime is based upon the individual's overall size & condition @ two feeds per day.
7. **SPECIAL CONDITIONS** - Any mare not checked in foal at Lyn-Lin Appaloosas must be examined by the mare owner's vet within 42 days from last service date by the stallion. The stallion owner must be advised as to the pregnancy status of the mare at the time.
8. A Live Foal Guarantee (LFG), offered by the breeder in the stud fee, shall be provided if the mare is not in foal, produces a foal that is stillborn or is unable to stand or nurse. The breeder is subsequently held harmless from all liability. The owner will receive a return service in the year following at a cost of collection or agistment, if necessary, an alternative mare may be substituted in that year by agreement with the breeder. The mare must be quiet and have been halter broken, free from infectious or contagious disease, wormed regularly and certified in good physical and in sound breeding condition prior to her delivery to the breeding farm. The breeder must be Informed of any foal death within 7 days and of any miscarriage within 30 days by certified letter, declared and identified by a veterinarian. Return receipt requested.
9. The owner 's signature on this contract certifies that he/she has read and fully understands all of the terms and conditions outlined herein and accepts this contact as a legal and binding instrument on behalf of the owner.
